Section 7

Points Plus Pounds System

The points-plus-pounds system will be used to determine all positions in the yearly standings. It will be used to determine the Sportsman of the Year, and the Top Six. The following formula will be used: 1st place: 100 points + individual weight, 2nd place: 98 points + individual weight, 3rd place: 96 points + individual weight, etc. with descending points until all anglers with fish to weigh have weighed in. Any angler, who has no fish to weigh, but has paid his/her entry fee, will receive 60 points for participation (or two points lower than the last person catching fish, if that would be less than 60). **All points will be carried to the 100th decimal place.** For example: A team finishes 1st with 12.38 lbs. Each angler in the team will receive 100 points PLUS his or her individual weight for the tournament. Weight will not be rounded off to the pound, either up or down. Team Weight will be used to determine the order of finish in each tournament i.e., 1st, 2nd, 3rd, etc.

TOURNAMENT RULES

POLICIES: All rules and tournament dates have been determined in advance of the current fishing season by the officers of the club. These are considered binding throughout the tournament season and cannot be changed. All changes recommended will be tabled and considered at the officers meeting in December. Lake, start times, and weigh-in locations may be changed ONLY if situations warrant (safety, large functions at lakes, weather related incidents, etc.). Only then may these changes be made by a majority of the officers.

EQUIPMENT: Any type of rod and reel may be used. Live bait is not allowed for adult members. Children may fish with live bait. Pork rind products are allowed. Live well additives to help keep fish alive are HIGHLY recommended and STRONGLY encouraged.

METHOD OF FISHING: All bass must be caught live, in a sporting manner. Only one rod may be used at a time, with a maximum of two (2) baits tied to the line. Alabama Rigs are limited to a max of five (5) wires and five (5) hooks. Nets may be used to assist in landing a fish. Trolling with the main engine is not allowed.

SPORTSMANSHIP: All contestants are required to follow high standards of sportsmanship, courtesy and conservation. Illegal drugs and alcohol are not allowed at any function and will be cause for disqualification and suspension from the club. Pre-fishing the tournament lake is permitted the week before the tournament, any pre-fishing on Monday through Friday before the tournament day, must be done **without** hiring the services of a guide for the tournament lake.

SAFETY: All state and local boating laws apply during FCBC sponsored tournaments. Anglers will wear a chest type life preserver anytime the big motor is in operation **unless the boater is in the act of loading or unloading the boat**. All boats should be equipped with an emergency shut-off device (kill switch), which must be secured to the driver's body whenever the big motor is in operation. (If boat is equipped with such device.) Any angler that sees another club member's boat or person in distress must stop and render aid to the best of their ability. **Failure to obey state, local, and club safety regulations are grounds for disqualification from the tournament, at the discretion of the Tournament Directors.**

ELIGIBILITY: In order to be eligible to *compete* in a FC Bass Club tournament, an angler must either be a paid member before the tournament **or** have informed two officers of his/her intentions to join the club **before** the start of the tournament. He/she must then pay all membership dues at weigh-in. Failure to do so may result in no points being awarded for that event. Guests may fish with members in team events but are not eligible for awards or big

Constitution, Bylaws & Tournament Rules

bass money. It is recommended (not required) that members not fish with the same guest in more than two tournaments.

YOUTH COMPETING AS AN ADULT: Tournament participants under the age of 18, with Board approval, may elect; prior to their first tournament of the year, to fish the year as an ADULT. Should they elect this option, with Board approval, they will be subject to the \$20.00 entry fee and all tournament rules. They will be eligible for all tournament winnings and participate in the Point/Weight standings, just like adult anglers. (See DRAW exception) To obtain Board approval, a proven track record of parent or legal guardian participation not only in FC Bass Club Meetings but also in FC Bass Club tournaments is required. This track record must extend back over the previous full year. The Youth moving to the Adult category will not be allowed to participate in DRAW's until reaching Adult age, as defined in the Club rules.

WEIGH-IN: All tournaments will start at 6:00 a.m., unless special hours are announced prior to tournament day. Last Cast will be at 3:00 p.m., unless special hours are announced prior to tournament day. Weigh-in Slips and Tournament Fees must be turned in no later than 45 minutes after Last Cast. At the tournament directors' discretion, each minute past the 45 minutes that the weigh-in slip is late, the angler will have .5 pounds deducted from his/her weight. Any angler turning in a weigh slip more than 50 minutes late will have his/her weight disqualified, but allowed to retain their participation points (**60**). It is recommended that anglers be at the ramp at 3:00 p.m. to allow plenty of time to retrieve their boat, prepare fish, store gear, etc. Fish or weigh-slips and tournament fees can be turned in as soon as the tournament director opens the weigh-in. All anglers **MUST** check in; in person or by cell phone, at the weigh-in line regardless of if they caught fish or not. Failure to do so can result in loss of participation points for that event.

PAPER FISH: All lakes will be fished under the paper format. There will be a 10" minimum length limit on black, Smallmouth and Kentucky bass. **All fish must be measured on a measuring stick with a bumper on one end and marked with 1/8 inch increments.** *Lengths are to be recorded to the 1/8 inch.* The prize tournament will be fished under these same rules.

BIG BASS AWARD: A plaque and/or name plate will be awarded to the anglers who catch the largest bass at each tournament, either paper or live, depending on the lake fished. The angler who has caught the largest bass for the year, either paper or live, will receive an end-of-the-year award for his/her achievement. In the event of a tie (tournament only) the angler with the most fish will win. If still tied, the angler with the most weight will break the tie. If there is a tie for the largest bass of the year, all anglers tied will receive an award.

CASH POT - Five dollars of each person's entry fee will be put in the Cash Pot. The Cash Pot will be divided 60% to the First Place team and 40% to the Second Place team.

Fielder Church Bass Club

Constitution, Bylaws & Tournament Rules

BIG BASS CALCUTTA: One dollar of each person's entry fee will be applied toward a Big Bass Calcutta. To win this cumulative pot, an angler must catch and weigh-in (paper DOES apply where applicable) a bass over **8.00 pounds**. This fish can be a paper fish. After a Calcutta has been won, the pot will start to re-accumulate at the next tournament. Anglers

may choose to keep the money, or place it in the FC Mission fund under their name. Calcutta money left over at the end of the year will be used according to a vote of the membership at the last club meeting. A new member must fish at least one tournament as a member before they will be eligible to win the Calcutta pot. Youth anglers, not fishing as a qualified adult, cannot win the Calcutta.

MISSION FUND: Five dollars from each angler's entry fee will be placed in the FC Mission fund to sponsor children to church camp and other charity causes the club chooses. The Treasurer will record all money that is placed in this fund and by whom (in the case of Big Bass/Stringer or Calcutta donations), and will give statements to each angler (if they so choose) at the end of the year for tax purposes.

TOURNAMENT FEES: The entry fee for all tournaments will be \$20.00 per competitor. All adults in a tournament boat will be considered competitors and are required to pay the entry fee. This is to be paid to the Treasurer at the end of each tournament; during weigh-in. Failure to pay the entry fee will result in no points being awarded for the event. **Kids do not pay an entry fee.** Tournament fees are broken down as follows:

\$5.00 – Cash Pot
\$5.00 - Mission Fund
\$1.00 - Calcutta (cumulative)
\$9.00 - General club funds (awards, prizes, expenses)
\$20.00 - TOTAL ENTRY FEE

POINTS: Points will be awarded for each event and accumulate over the year to determine the Sportsman of the Year and Top Six finishers. These points will be awarded as follows: **30** points for participating in a meeting. No walk-in and leave allowed.

TOURNAMENT POINTS:

Each pound of weight is equal to 1 point, rounded to the 100th place

100 points + weight = First Place
98 points + weight = Second Place
96 points + weight = Third Place
94 points + weight = Fourth Place
92 points + weight = Fifth Place

Fielder Church Bass Club

Constitution, Bylaws & Tournament Rules

90 points + weight = Sixth Place

Points continue to decrease by **two** + weight until all fish are weighed in. In the event an angler does not weigh in a fish, he/she receives **60** participation points (or two points less than the last person catching fish, if that is lower than 60). Participation points are awarded

only if you fish on the tournament day. Points will accumulate throughout the tournament season. FCBC allows members to drop TWO (2) tournament point totals and TWO (2) meeting point totals during the course of the first ten (10) tournaments **and all points meetings**. Drops do not carry forward into the Prize Tournament. The Tournament Director will record and tally all points during the year and will keep the members updated monthly on their standings.

The Weigh Master will have copies of the weigh-in sheets, until the next meeting, in case of point discrepancies and disputes. In the event of a tie at the end of the year, the angler who caught the most fish between the tied anglers will be declared the winner in the dispute. If a tie still exists, the angler with the most weight will break the tie.

AWARDS: Awards will be given after each tournament for 1st, 2nd, and 3rd place finishes in the tournaments. An award for Big Bass will be given for the biggest bass caught in any normal format tournament. An Award will be given for the Individual Heavy Stringer of the tournament.

PRIZE TOURNAMENT: To be eligible for the prize tournament, and compete for prizes, a member must participate in 5 FC Bass Club tournaments, including the Prize Tournament, during the year.

Children are eligible to compete for a group of kid prizes as long as they, too, meet the Prize Tournament requirements. Prize distribution will be based upon the tournament standings for that day: 1st place chooses first, 2nd place chooses second, and so forth until all anglers who caught fish for that tournament have chosen. Then, for those who did not weigh a fish, point standings BEFORE the prize tournament will determine who chooses next. A prize committee will be appointed at the meeting in October to purchase prizes for this tournament.

TEAM TOURNAMENTS: During the season, FC Bass Club will have eleven (11) team-format tournaments. During these events, anglers pair up and combine weight to compete. A total of 5 fish per boat are allowed during these events and each angler gets the total points + his individual weight, according to where they place in the event. All teams will be determined by some type of draw or selection method including; pick your own partner and random draw. All team discrepancies will be cleared up by the Tournament Directors. Any member who wants to fish with their kids, spouse or those persons with special needs will be exempt from mandatory draw tournaments. Their weight (kids, spouse and special needs person) would count toward the tournament. The youth's weight would count in the youth division also. Any boater who fishes with three (3) anglers in the boat will be paired with each non-boater for team weight. Boater's team points will come from the highest placing team. If one of the three (3) is a youth, the youth weight counts both for the youth division

Fielder Church Bass Club

Constitution, Bylaws & Tournament Rules

and the team weight. Each adult non-boater is paired with the boater for their team weight and points.

PARTNERS: Anglers are expected to find their own partners for each tournament, except for the random draws. At each meeting, a sign-in sheet will be passed around asking who is fishing and whether they are boaters and have or need a partner. At this time, we will ask the

anglers needing partners if they would like to pair up. After the meeting, if an angler hasn't found a partner, it is up to the angler to call the Partner Coordinator and have them list their name as needing a partner and whether they are boaters/non-boaters. The Partner Coordinator is only a central location; he/she does not pair anglers.
